IUB at a glance

Established in 1993, Independent University, Bangladesh (IUB) is a leading private university in Bangladesh with a focus on research and global partnerships. With over 10,000 students enrolled at undergraduate and graduate levels, 237 highly qualified full-time faculty members (more than 50% holding PhD degrees), and an alumni network of nearly 19,000, IUB is committed to ensuring education for all to promote the national agenda of sustainable and inclusive development.

Vision

IUB aspires to be a leading seat of learning and research, developing technologically competent, environmentally responsible, and globally conscious future leaders with a strong liberal arts foundation.

Mission

1. Produce graduates with cutting-edge knowledge and transferable skills.
2. Foster an environment to enhance research and innovation promoting sustainable development.
3. Develop impactful partnerships through academia, industry, and community engagement to contribute to the advancement of society.

The campus

The IUB campus, spread over 3.2 acres in Bashundhara Residential Area, Dhaka, features an amphitheater, state-of-the-art laboratories for life, environmental and social sciences, pharmacology, and engineering. The campus houses 95 multimedia classrooms equipped for both physical and online classes, an auditorium, separate gymnasiums for men and women, a swimming pool, an international-standard squash court, yoga and self-defense studios, chess and carrom stations, table tennis courts, a spacious sports complex with a multipurpose pulastic floor, and a food court and cafeteria.

IUB Library

The IUB Library contains over 250,000 e-books and provides access to renowned resource hubs, including ABI Global (ProQuest), Cambridge University Press Journals, EBSCOhost, Emerald Journals, IEEE Xplore, JSTOR Journals, Literary Encyclopedia, National Geographic, and SpringerLink Journals.

Research

IUB faculty members actively engage in research and publish in peer-reviewed journals. Alongside traditional classroom-based learning, students are encouraged to engage in research early in their academic lives.

Academic Programs

IUB's curriculum, based on the North American Liberal Arts Model, is taught in English. The university currently has six academic schools:

1. School of Business & Entrepreneurship (SBE)
2. School of Engineering, Technology and Sciences (SETS)
3. School of Environment & Life Sciences (SELS)
4. School of Law (SoL)
5. School of Liberal Arts & Social Sciences (SLASS)
6. School of Pharmacy and Public Health (SPPH)

The academic year is divided into three semesters: Spring (starting in January) , Autumn (starting in September) and Summer (starting in May).

The Four Pillars of IUB

1. Strong Liberal Arts Foundation: It is essential for leadership in any professional domain. A strong foundation in liberal arts immerses individuals in the beauty of art, literature, and music, and nurtures humanitarian and volunteer-driven values, empowering them to rise to current global challenges.

2. Technological Proficiency: In the forthcoming decades, technological proficiency will be paramount. Recognizing this, we launched the “Coding for All” initiative in 2023. This ensures that every student, regardless of their primary discipline, can equip themselves with fundamental coding capabilities, positioning them advantageously for the 4th Industrial Revolution.

3. Global Consciousness: IUB offers its students a unique chance to learn languages like Korean, French, and Mandarin directly from native speakers. This linguistic exposure deepens their global awareness, enabling them to grasp and navigate the ever-evolving trends in international business, development, and politics. This cultivated global perspective aids them immensely as they pursue opportunities worldwide, allowing them to engage with diverse cultures with compassion.

4. Environmental Responsibility: It's imperative for our students to recognize their responsibility towards our planet. With climate change and pollution looming as colossal challenges, even though Bangladesh has been a minimal contributor to global warming, it remains highly susceptible to its repercussions. Hence, our aim is to shape a generation that's environmentally conscious and fervently committed to sustainable practices.

Why Choose IUB for Undergraduate Studies?

Top-tier Education & Programs:

- IUB boasts world-class undergraduate and graduate programs endorsed by premier national and international accreditation bodies, including UGC, ACBSP, and IEB.
- Our curriculum is regularly updated to match the demands of today's academics and tomorrow's job market.

Distinguished Faculty & Research Excellence:

- Our faculty, alumni of top-ranked global universities, are recognized for their research contributions in top-tier journals.
- Research is integral to IUB's academic pursuits. Our students are not only trained in research but also have myriad opportunities to delve into it, leading to publications in respected national and international journals.
- A recent accolade: IUB leads in Scopus citations per faculty among Bangladesh's private universities.
- IUB works closely with the Fulbright agency to host specialists and scholars and is a proud recipient of Erasmus+ grants for research and student and faculty mobility programs.

State-of-the-Art Campus & Holistic Student Support:

- IUB's campus, replete with cutting-edge facilities like modern labs, digital classrooms, a fab lab, a library, gymnasium, sports facilities, and auditorium.
- From career guidance, academic success centres and health services to psychosocial counseling, we ensure our students' well-being.
- Our International Programs and Relations Office is dedicated to diversifying your IUB experience through offering global networking and mobility offers.
- Engage in a myriad of sports, cultural events, and national inter-university competitions, all organized or facilitated by IUB.

Foundation for A Flourishing Career:

- At IUB, we prioritize preparing our students for successful careers. Our degree programs are tailor-made to this end.
- Our alumni have carved niches for themselves at global giants like World Bank, Google, IBM, and have pursued advanced studies at prestigious institutions like Cambridge and Harvard. A notable mention: an alumnus recently became the Pro-Vice Chancellor of Southampton Solent University, UK.

Broadening Horizons through Global Partnerships:

- IUB collaborates with elite universities worldwide, including Stanford, Harvard, Ulster, University of Toronto, University of Hyogo, and University of California campuses.
- Through the Erasmus+ program, our academic community gets to experience life at European Union universities. Recent collaborations include MOUs with Macquarie University, University of Maribor, and University of New Castle. A partnership with Central Queensland University is also in the pipeline.

Admission Requirements

General Requirements

SSC, HSC and equivalent	Aggregate GPA of 7.0 in secondary and higher secondary level, with a minimum GPA of 3.00 in each
O Level, A level and equivalent	- At least 5 subjects in O Level with a minimum GPA of 2.50 - At least 2 subjects in A Level with a minimum GPA of 2.00
Other equivalent degrees	- International Baccalaureate or US High School Diploma - Other 12-year equivalent degree (must have the equivalence certificate from the Ministry of Education)

Subject-specific requirements

Engineering	Applicants must have: - Math and Physics in O Level - Math and Physics with a minimum of grade of B in HSC
Microbiology, Biochemistry and Biotechnology	Applicants must have Biology in SSC or O-Level with a minimum of B grade.
Environmental Science	Applicants with Chemistry/Physics in SSC or O Level will get preference.
Pharmacy *For Further information, please visit: pharmacy.iub.edu.bd *Application eligibility depends on the rules and regulations of Pharmacy Council of Bangladesh (PCB)	- Candidates must have passed the HSC/A Level or an equivalent recognized examination in the current year or the previous year. - Candidates should have an aggregate GPA of at least 8.00 across both SSC or its equivalent and HSC or its equivalent examinations, based on a 10-point scale. - For both SSC or its equivalent and HSC or its equivalent, candidates must achieve a minimum GPA of 3.50 in Physics & Mathematics and a minimum GPA of 4.00 in Chemistry & Biology, based on a 5-point scale. For the HSC or A level or its equivalent examination, candidates must achieve: - A minimum GPA of 4.00 in Chemistry and Biology individually, on a 5-point scale. - A minimum GPA of 3.50 in Physics and Mathematics based on a 5-point scale. - For A Level candidate, the grade requirement is a 'B' in Chemistry & Biology, and a 'C' in Physics & Mathematics. - International students should have completed a 12-year education and achieved equivalent grades from recognized foreign institutions. - If holding another equivalent 12-year degree, an equivalent certificate from the Ministry of Education is mandatory. - Candidates lacking Mathematics in the HSC, A Level, or its equivalent can still gain admission. However, they are required to complete an additional 3-credit Mathematics course relevant to the B. Pharm curriculum.

*GED degree not accepted.

Undergraduate Programs & Estimated Costs

School of Engineering, Technology and Sciences (SETS)

#	Program	Cost (BDT)	Credits
1	BSc in Computer Science (CS)	9,97,500/-	134
2	BSc in Computer Engineering (CE)	9,97,500/-	134
3	BSc in Computer Science & Engineering (CSE)	10,10,500/-	136
4	BSc in Electrical & Electronic Engineering (EEE)	10,36,500/-	140
5	BSc in Electronic & Telecommunication Engineering (ETE)	10,36,500/-	140
6	Physics (Hons)	9,91,000/-	133
7	Mathematics (Hons)	9,97,500/-	134

School of Environment & Life Sciences (SELS)

#	Program	Cost (BDT)	Credits
1	BSc in Environmental Sciences & Management	10,04,000/-	135
2	BSc in Microbiology	10,04,000/-	135
3	BSc in Biochemistry & Biotechnology	9,32,500/-	124

School of Law (SoL)

#	Program	Cost (BDT)	Credits
1	LLB (Hons)	11,46,500/-	136

School of Liberal Arts & Social Sciences (SLASS)

#	Program	Cost (BDT)	Credits
1	BSS in Media & Communication	9,52,000/-	127
2	BSS in Anthropology	9,52,000/-	127
3	BSS in Sociology	9,45,500/-	126
4	BSS in Global studies and Governance	9,58,500/-	128
5	BA in English Literature	9,39,000/-	125
6	BA in English Language Teaching (ELT)	9,39,000/-	125

School of Pharmacy and Public Health (SPPH)

#	Program	Cost (BDT)	Credits
1	Bachelor of Pharmacy (B. Pharm)	14,01,500/-	170

Other costs and fees

Admission Form: BDT 1,000/- (Nonrefundable)

Admission Fee: BDT 25,000/- (Nonrefundable)

Tuition Fees:

- Per Credit. BDT 6,500/- for all except LLB and Pharmacy
- Per Credit BDT 7,500/- for Undergraduate LLB and Pharmacy

Student Activities Fee Per semester:

- BDT 8,000/- for all except LLB and Pharmacy
- BDT 12,000/- for Undergraduate LLB and Pharmacy

O Levels & A Levels certificate verification: BDT 3,000/-

How to pay the application fee?

Method#1: Online Payment

- Visit <https://admission.iub.edu.bd/#/>
- Fill out the undergraduate online **admission form** (personal and academic information)
- Go to profile page and click on "**Pay Online**" to complete your fees payment.

Method#2: bKash Payment

- Fill out the online **admission form** and press submit to receive your 8-digit Admission ID.
- "**Make payment**" to IUB bKash merchant number **01709963670**, using the **8-digit Admission ID** as reference.

Admission Test

All Subjects of BBA and Economics	• English: 30 minutes • General Mathematics: 30 minutes
All Engineering Subjects, Mathematics and Physics	• English: 30 mins • General Mathematics: 30 minutes • Higher Mathematics and Physics: 30 minutes
Microbiology, Biochemistry and Biotechnology	• English: 30 minutes • General Mathematics: 30 minutes • Biology Test: 30 minutes
Environmental Sciences & Management	• English: 30 minutes • General Mathematics: 30 minutes • General Science: 30 minutes
Pharmacy	• English: 30 minutes • General Mathematics: 30 minutes • Pharmacy: 30 minutes
LLB and All Subjects of SLASS	• English: 30 minutes • General Knowledge: 30 minutes

Admission period

Spring Semester class duration (January to April)

The admission procedure starts in the first week of November and ends with the commencement of classes in the Last week of January.

Autumn Semester class duration (September to December)

The admission procedure for Autumn starts in the first week of June and ends with the commencement of classes in the third week of September.

Summer Semester class duration (May to August)

The admission procedure starts in the second week of February and ends with the commencement of classes in the third week of May.

Exemption from admission test

Applicants with the following may seek exemption:

- A minimum score of 1000 in SAT-1 and any one from the below
- A minimum TOEFL score of 550 (paper based), 213 (computer based), 80 (internet based), **or** IELTS score of 5.5.

Credit transfer

- The course grade should be at least B-.
- Overall CGPA should be at least 2.50.
- Students with CGPA 3.00 and above may be exempted from admission test on a case-to-case basis.
- To be eligible for credit transfer a student must have earned a minimum of 30 credits.
- The school and concerned departments will investigate the correlation of the course content.

***All the certificates will be verified and IUB reserves the right to act in case of any discrepancies.**

Scholarships and Financial Aid

IUB provides scholarships and financial aid, ensuring qualified new and current students have access to financial support. We strive to extend financial help to a broad range of deserving students. With the use of technology, we ensure that the aid is granted in a just, discreet, and accountable manner.

Available Financial Assistance at IUB:

- Scholarships based on Admissions Test & Previous Academic Results: 30%-100%
- IUB Merit Scholarships based on Semester Results: 30%-100%
- Need-based Aid for Returning Students: 20%-100%
- For Children of Freedom Fighters: Up to 100%
- For achievements in Extra-Curricular Activities: Up to 100% (national level achievements considered)
- IUB-Saima Hall (A dormitory for female students funded by IUB & Shaheed Khalek & Major Salek Bir Uttam Trust): 100% (subject to conditions and availability)
- Aid for outstanding students from 'economically challenged areas', like small ethnic communities: Up to 100%
- Scholarship for Female Students: 10%
- Sibling Discount: 30%
- IUB employees and their dependents: 50%-100%
- Offsprings of IUB Alumni: 10%
- IUB ARROWS: Up to 100% (Annual selection basis)

Application Timeline:

Financial aid applications are accepted during the 3rd week of every semester.

Frequently Asked Questions:

1. How can I access the Financial Assistance Policy?

Visit our website frequently for updates. The Financial Assistance Policy is available on the IUB <http://iub.ac.bd/admissions/scholarships-and-financial-aid>

2. How do I apply for Need-Based Financial Aid? And the deadline?

To apply, a student should have completed at least 24 credit hours and earned a minimum CGPA of 2.75. Only online applications via the IUB website are accepted. The deadline is displayed prominently on our main website for about a month post the Add-Drop period of each semester.

3. Am I eligible for a scholarship if I have good academic results?

Yes! IUB grants automatic merit scholarships. If you've completed 36 credit hours and achieved a CGPA of 3.80 or above, you can receive a scholarship ranging from 30% to 100%. Check our policy for further details.

4. Is my scholarship/financial aid ongoing?

Continuation depends on meeting the minimum required credit hours and CGPA. If you qualify for two scholarships or discounts, you'll receive the higher value. This applies to students from Summer 2022 onward.

5. Are all scholarship and aid requirements the same?

Requirements can differ. Please refer to this link

<http://iub.ac.bd/admissions/scholarships-and-financial-aid>

6. Does a 100% waiver cover all fees?

No, the waiver applies only to tuition. Admission and Semester fees remain payable.

7. What's the group life insurance for financial guarantors?

IUB covers the insurance premium for every undergraduate student. For coverage details and eligibility, visit this link.

Note: IUB may adjust policies or conditions concerning financial aid. Any changes made will be communicated promptly to all relevant parties.
